

FOR IMMEDIATE RELEASE

## **Agility Wins Major Oil and Gas Event Contract**

***Appointed Official Freight and On-site Handling Contractor at ADIPEC in 2015 and 2016***

**LONDON –March 9, 2015 –** Agility, a leading global logistics provider, has been awarded a contract by dmgs::events to manage international freight and provide on-site handling services for the Abu Dhabi International Petroleum Exhibition and Conference (ADIPEC) in 2015 and 2016. Both events will be held at the Abu Dhabi National Exhibition Center in UAE.

ADIPEC is a major global trade show and conference for oil and gas professionals. The 31<sup>st</sup> edition of ADIPEC will be held from Nov. 9-12. As the official freight and on-site handling contractor, Agility Fairs & Events will be responsible for assisting exhibitors and their contractors with logistical requirements and shipping of exhibits to and from the ADIPEC events.

Julie Allen, Operations Director of dmgs::events for the Middle East, said: “We have worked with Agility on ADIPEC for the past three years and have been impressed by their impeccable ability to manage every eventuality in a timely manner with patience and professionalism, including handling freight in places you would not think possible with some very challenging pieces of equipment. They truly go above and beyond to help pull together such a successful show, and not without a smile and a sense of humor. “

“ADIPEC is a world-renowned event in the oil and gas industry, and our involvement as the preferred logistics service provider is testament to our successful track record in supporting numerous trade events organized by dmgs::events,” said David Richards, Managing Director for Agility Fairs & Events UK. “We look forward to making ADIPEC yet another successful event.”

### **About Agility**

Agility brings efficiency to supply chains in some of the globe’s most challenging environments, offering unmatched personal service, a global footprint and customized capabilities in developed and developing economies alike. Agility is one of the world’s leading providers of integrated logistics. It is a publicly traded company with more than \$4.8 billion in revenue and more than 20,000 employees in over 500 offices across 100 countries. Agility’s core commercial business, Global Integrated Logistics (GIL), provides supply chain solutions to meet traditional and complex customer needs. GIL offers air, ocean and road freight forwarding, warehousing, distribution, and specialized services in project logistics, fairs and events, and chemicals. Agility’s Infrastructure group of companies manages industrial real estate and offers logistics-related services, including e-government customs optimization and consulting, waste management and recycling, aviation and ground-handling services, support to governments and ministries of defense, remote infrastructure and life support.
